LEADERSHIP MONTGOMERY SELECTS SARA ROSE GORFINKEL FOR CLASS OF 2014

Rockville, MD –Sara Rose Gorfinkel, Director of the Tikkun Olam Women’s Foundation of Greater Washington (www.towf.org), has been selected for the Class of 2014 of Leadership Montgomery Core program. A nonprofit, nonpartisan organization, Leadership Montgomery brings together current and emerging leaders and offers them a unique opportunity to increase their understanding of the complex social and economic issues of Montgomery County and the region. Through a series of interactive sessions, participants are challenged to learn about and experience leadership by evaluating issues, considering thought-provoking viewpoints, and examining leadership styles. Gorfinkel, one of the youngest participants accepted into the class of 2014, brings a Jewish and philanthropic lens to the core class, with great passion for and interest in addressing the needs of women and girls in Montgomery County.

Leadership Montgomery, a member of the Association of Leadership Programs, has over 2,000 graduates and participants, from its Core, Senior, Executive and Youth programs, actively involved in the community serving on State, County and nonprofit boards and committees.
