

Membership Form

I would like to leverage the power of my charitable contributions and support programs that will impact the lives of women and girls. All Trustees have equal privileges and voting rights regardless of the level of their financial commitment to the Foundation.

I hereby make a commitment to join the Tikkun Olam Women's Foundation of Greater Washington with a gift of:

\$1,500 per year for three years for women 35 years or younger, to become a **Covenant Trustee**.

Covenant Trustees who turn 35 during their three-year term may maintain their pledge at the same level of \$1,500 per year for the duration of their three-year membership. We hope that those who are financially able will consider increasing their gift to the Pillar membership level of \$3,000 per year, whether during the three-year membership term or when their term concludes.

\$3,000 per year for five years to become a **Pillar Trustee**.

Pillar Trustees have trustee privileges for a five-year period, membership may be renewed after the first five years is complete. Pillar Trustees, like all trustees of the Foundation, are encouraged to join committees, attend educational events, and assist in the annual process of making grants to organizations that are pursuing social change for women and girls.

\$9,000 per year for five years to become a **Heritage Trustee**.

By investing \$9,000 per year in the Foundation, Heritage Trustees advance the continuous growth and security of the foundation by contributing a larger annual amount to the endowment. After a cumulative donation of \$45,000 has been made within either five or 10 years, an individual yearly continued contribution is requested to remain a trustee with trustee privileges.

\$20,000 per year for five years to become a **Legacy Trustee**.

Legacy Trustees will hold a seat on the Board of Trustees in perpetuity, assuring that she, her daughter(s), daughter(s)-in-law, and granddaughter(s) will have a significant voice in determining the direction of the Foundation and its grantmaking process. After a cumulative donation of \$100,000 has been made within five years, an individual yearly continued contribution is requested.

I understand that my gift cannot serve as a substitute for, as part of, or as off of my contribution to the Jewish Federation of Greater Washington's Annual Campaign.
